

ScoopFree® Premium Natural Cat Litter

Forget about that litter box smell and let nature do the work with ScoopFree Premium Natural Cat Litter. Our non-clumping natural pebbles give you superior odor control without any chemicals, additives, fragrances or dyes. The litter is made of a natural mineral derived from fossilized algae – and the result? A low-tracking, odor-neutralizing litter that instantly works to absorb liquids and dehydrate waste in any litter box. Plus, an 8-lb bag lasts up to 2 months, replacing 40 lb of clumping clay litter! Life is full of compromises, but with ScoopFree Natural Litter, you don't have to choose between high-performance and a natural solution for your cat and home.

Features

- Absorbs moisture providing 21+ day superior odor control
- Derived from 100% naturally occurring minerals – no chemicals, additives, fragrances or dyes
- Uses 5x less litter than clumping clay litter
- One 8 lb bag lasts up to 2 months in a single-cat household
- Compatible with all types of litter boxes, from traditional pans to ScoopFree Crystal Self-Cleaning Litter Boxes
- Low tracking for less mess and easy cleaning

8 lb = 40 lb of clumping litter

Non-clumping, low-tracking
