Seaside Stainless Steel Pet Fountain

PWW17-17330

Features

- Quiet, gentle flow is good for apprehensive pets
- Hygienic stainless steel design is easy to clean
- Compact shape fits in any home
- Constant water circulation inhibits bacteria growth
- Replaceable charcoal filter removes bad tastes and odours
- Replaceable foam filter catches hair and debris
- Dishwasher safe – excluding pump

How It Works:

The PetSafe® Seaside Stainless Steel Pet Fountain holds up to 1.8 litres of water, making it the perfect size for cats and small dogs. Pets are attracted to moving water, so the fountain's fresh, filtered, recirculating water naturally entices them to drink. Water quietly bubbles over the stainless steel tower, making it easily approachable to shy pets. The high-quality stainless steel fountain is easy to clean and a hygienic way to help pets stay hydrated and healthy.
